While writing the location of the event the admin will see this message

After that, the admin will be redirected to Google Maps to set the location of the event

A screenshot of a 'Create Event' form. At the top is a back arrow and the title 'Create Event'. The form contains several fields: 'Cine Carnival 2.0' in a light blue box, a location field with a pin icon and the text 'ULAB Permanent Campus', date fields with calendar icons and the text 'DD-MM-YY', time fields with clock icons and the text 'Start-time' and 'End-time', a 'Public' dropdown menu, and a 'Fee' field with a document icon. Below these fields is a text area with the placeholder 'Write a short description about the event'. At the bottom is a dashed box containing an upload icon and the text 'Upload image', and a large blue button labeled 'Create Event'.

After clicking on done he will see this page
